Public Relations

Hello ASC

Not much going on in PR this past month. I have been working on coding enhancements on the Region helpline to allow us to use it as our primary helpline in the future if we choose to do so. Also Steve S 's server crashed so I rebuilt the Region helpline on one of my servers and will move it back to Steve S 's server when I'm sure it's stable.

I started a new Facebook group LARNA-CA2020 to discuss the upcoming CAR. Please check it out and get involved.

I will be attending the Southeastern Zonal Forum in Dallas Jan 24-26th. They are having some PR workshops that I hope will be help me do my job better this coming year.

Still working on posters and plans to get literature distributed in the coming year. ILSRichard T
