Public Relations

I've been working primarily on infrastructure. There is much better integration between the local helplines and the Regional helpline and nana.net has been updated and backed up.
I met with Lamar Advertising in Shreveport and will be getting a formal proposal from them on Tues Feb 18th. This proposal will be presented at April RSC. It consists of a package that will put up 50 poster size billboards around the state and an additional package that would be large billboards on Interstate in each market. This will be paid for by LA Region from money we made from Convention. If we can get this approved and with other PR initiatives being worked on then we can expect to be getting a lot more calls to our helpline.
Not Louisiana Rural Opioid Summit will be held Tuesday Feb 18th at 9am at the old high school gym in Homer Louisiana. We will have a table there and will be passing out literature and answering questions. Anyone interested in helping get with me or Daniel.
In loving Service,
Richard T
