Secretary Report

Hello ASC,

Minutes were not sent out last month because there was not much to report with COVID shut downs.

Nomination for Lee P as FD Facilitator was sent back to groups for voting. I emailed his message out to all GSR's.

We added the Saturday Night Live homegroup to the Area at last ASC and I'd like to extend a special welcome to the group and hope they are doing well. We have been hosting Zoom meetings and Live meetings in the Area and I'm excited to see what's in store for the future. Thanks for all the prayers and support on my recent surgery, I'm healing well and happy/healthy! (Please speak slowly giving your reports since I'm hand writing notes for reports!)

Please make sure I have your email address to receive minutes @ djvibe2011@gmail.com or 318-210-8420.

In Loving Service,

Adam M.

ASR Report

Hello everyone,

All is well in our area. Good to see everyone. There's not much to report due to the current circumstances of COVID-19. We are currently having 18 meetings per week, 6 of which have been zoom meetings. I haven't gotten out much to attend outside meetings, but hopefully soon I can get around to the different groups in our area. The next RSC meeting will be July 12, 2020 at 2pm via zoom. Let me know if there is anything I need to carry back. Lee P. (RD) would like a little feedback as he is considering taking a position of fellowship facilitator for the region. In my opinion, he would be great at it since he does an excellent job as our Regional Director. That's about all I have at this time.

In Loving Service,
Greg W. (ASR – N. LA)

Public Relations

Hello everyone.

PR has been adapting to Covid19. The meeting list database is being kept up as things change and the phone line is being maintained. We have developed a great working relationship with Caddo Drug court and are contacting similar entities to develop also. The zoom meetings have fallen off some due to drug court only allowing one zoom meeting a week to count so we may need to cut back from the six weekly meetings we are currently having.

I posted a PSA video on the LA Region public Facebook page and did a paid boost for eight days to get data on its effectiveness and was pleased with the response. We reached nearly 6500 people with 1249 thruplays of

the PSA. This was for a cost of \$20.00, with \$10.00 of that being furnished by Facebook. I will be presenting this at RSC next month and hopefully we can go forward on it. While this was for Region I'd like to get feedback from area on this.

Due to the pandemic many avenues that are usually open for PR to spread the message are not an option right now. Any ideas will be welcome and appreciated.
